

# 3 LAKE'S Scene

22

it's the  
real thing

## Matter of record

AUGUST 24th...1973

- \* Summer at Three Lakes is nearing an end but we do sincerely hope that you people will still frequent the area with your presence until the snow fly's in November some time. Really the prettiest time of the year is fall in the north country and we do hope that you will enjoy yourselves.
- \* Weather wise, I would feel safe in commenting, that it was 91% better than last year, altho we did get some good rains this past three weeks. One thing about it thou is that it did cut down the dusty road situation somewhat even if we failed to slow down some of the speedster's this summer, altho the majority did however fully cooperate in helping us maintain safety on our roads.
- \* SPORTS IN THE NEWS:

1. TLDA's 2nd Annual Horseshoe contest was a hugh success, thanks to Art Slotness the organizer and Vern Thaemert the preparation man. We drew some 20 players from the area and thru the process of double elimination, we came up with the following hot shots as winners: Clint Johnson and Bob Mlodozyniec both from Lake Elora combined their talents to beat out Art Slotness and Jim Wilkon in a best two out of three finals to become the 1973 Chumps (please excuse the spelling). Thanks to all of you fellows that did enter this event and we do hope we have a even bigger turnout next year.

2. TLDA's 1st Annual Sailboat and canoe races are history. After a very shakey start due to almost three inches of rain that fell on the area Sunday morning, the first wave of sailboats left the shores of Lake Elora under the quidance of Harry "the Sailor" Brock and Steve "national tea" Slotness who organized this , which seemed to be a very popular event with the old (myself) and the very young (my wife) participating.

The Winners are: Sunfish Class- 1st place Trophy's were presented to: Dr. Tom and Mary Zbaracki- Elora who came in some 500 yards ahead of John Gulland and Danny Hartel who inturn edged out Judge Bob Campbell and Son.

Catamaran (large class)

1st Place went to Mike Zbaracki who stole the show in a high wind to beat out "Sailor Brock and Gary Mudd . Steve Slotness and Danny Sobczak came in third after they turned over before

the start of the race.  
John Lowry was voted the most determined Sailor...despite his last place finish and losing his paddle, he never gave in and came into the finish line to a standing ovation from the large crowd of on-lookers . Con't next page

Race results con't.

In the men's canoe race against a strong wind, trophy's were presented to Mike Jackson and Gary Houshawker who came in first.

Karl Kuth and hotrod Joey his brother came in second and decided to stick to jogging instead.

Guess who came in third?...Dick Lowry teamed with John Unzen and Bob Spehar and yours truley traileed the pack nearly exhausted....Dick and John arrived soaking wet, I wondered what happened?...

In the Women's and youngsters class....Lorrie Watts and Linda Tuhkanen got off to a fast start but came in last because they were unable to circle Tom'Baracki's boat...they claimed it kept moving away from them..but their claim was disallowed in favor of Scott Jackson and Steve Jackson whom topped the field with the four Spencer Girls from rose lake coming in strong tied for 2nd place.

I guess everyone had a good time and next year's race promises to be a big one, so sharpen up sailors and get ready. (Any bids for a concession stand?)

WE HAVE DECIDED TO HOLD A CANOE RACE ON ROSE LAKE...SUNDAY September 2nd..... weather permitting...in the event that it rains...we can move the race up to Labor Day....Starting time is 1 PM (at the West End of Rose....those canoes from other lakes can launch their crafts at 47 Rose Lake Drive...

- There will be four classes of races..1. Over Forty group...  
2. 15 and under  
3. Mixed ..male and female  
4. Open class ...everybody.

Get your entries in early...by depositing them in mailbox at 44 Rose Lake Dr.

- \* The second General Membership meeting was held at the French Club on August 10.... Lloyd Shannon ..our 5th District commissioner spoke to a group of some fifty interested members.. We also had the privilege of hearing from Howard Branigan from the Northern Electric Cooperative in Virginia.. Winners of the two attendance prizes were: Lois Sanstrom....134 Lake Elora Dr and Betty Koglin #125 Lake Elora. DON'T forget our very important General Election Meeting on the 31st...8PM at the F.C. Officer's for the coming 73-74 Season will be elected and Herbert Johnson from the Fish and Game will be here to talk to us about our future fishing aspects in our lakes. Let us make this final meeting a huge success and furnish us with your presence and maybe win some of the numerous prizes that will be given away.
- \* The 2nd Annual Rummage Sale was a fair success....not quite as big as last year due to lack of larger items...but regardless....your contributions were greatly appreciated.. Many thanks go out to Lorrie Watts and her helpers Grace Saxum and Doris Swanson. Also too numerous to mention..thanks to the ladies that furnished the bake goods...and we even received four quarts of fresh raspberries grown in Cotton....from #107.Lake Dodo....What was left over ~~XX~~ from the sale was sent to the Cotton Auction which was held last Sunday.....Thanks again everyone....
- \* We have TWO BIG PROBLEMS CONFRONTING US....1. The small dam at the far end of Lake Dodo is constantly being tampered with and it is really becoming ridiculous. Lake Elora and Dodo are becoming alarmingly low, causing the sun to really make the weeds grow....we must maintain a reasonable lake level...We have narrowed it down to three people that may be responsible for opening this dam..and it is a dirty shame they are spoiling these two lakes for the majority...It is in the hand of the conservation department now....so please refrain from tampering for it is causing us great concern.....

The other problem is our landfill...which is slowly filling up...care should also be given when dumping there...Thank you...see you August 31st...Editor
