

Three Lakes Road Semi-Annual Cleanup

In the Spring and Fall of each year (check Schedule of Events), the Three Lakes Development Association is responsible for cleanup of County Hwy 49, the Three Lakes Road, for the areas shown in red below. We are official cooperators with the St. Louis County Highway Department Adopt-A-Highway program. We try to choose an appropriate Saturday in mid-May, and again at the end of September. We meet at 9:00 a.m. at the "T", garbage bags and safety vests are provided. Join us, wear sturdy clothing and bring gloves. Donuts and coffee provided, much fun is had by all!
