

Three Lakes Development Association 2019-2020

Dear TLDA Members,

Another two years have passed and it's time for TLDA membership renewal. Dues will continue to be collected on a two-year renewal period. The total dues for this period will be \$20.00.

We will continue to conduct water quality testing every year. These tests have been a great tool that assists the Association in being able to maintain healthy lakes. Without quality water our lakes will no longer remain vibrant ecosystems and we as a community will fail in our mission for the future of the TLDA.

Please fill out the form at the bottom and return with your remittance to:
