

Three Lakes Development Association 2021-2022

Dear TLDA Members,

Another two years have passed and it is time for TLDA membership renewal. Dues will continue to be collected on a two year renewal period. The total dues for this period will be \$20.00 for general membership and \$10.00 for water quality testing.

We will continue to conduct water quality testing every year. These tests have been a great tool and assist the association in being able to maintain healthy lakes. Without quality water our lakes will no longer remain vibrant ecosystems.

Please fill out the form at the bottom and return with your remittance to:
