

# Three Lakes Development Association 2023-2024

Dear TLDA Members,

Another two years have passed and it is time for TLDA membership renewal. Dues will continue to be collected on a two year renewal period. The total dues for this period will be \$20.00 for general membership and \$10.00 for water quality testing.

We will continue to conduct water quality testing every year. These tests have been a great tool and assist the association in being able to maintain healthy lakes.

Please fill out the form at bottom and return with your remittance to:
