SPRING HAS SPRUNG

“A Note from the Editor”
WELCOME TO BOB’S CORNER:
 Life at 3 Lakes has always been about more than just the water or the cabins – it’s about the people who make this community feel like home. As another Minnesota summer begins, it’s a great reminder to slow down and enjoy the simple things: morning coffee on the deck, fishing off the dock, evening pontoon rides, bonfires with friends, and neighbors always willing to lend a hand. That strong sense of community is what makes 3 Lakes so special year after year.

Whether you’re here full-time or weekends, we all play a part in keeping this area welcoming, beautiful, and connected. It’s a place to get away from the political stuff no matter what your beliefs are.

Bob Watts was the “Welcome Wagon” here at 3 Lakes. Those of you that received his visit, before you even pulled your belongings out of your vehicle, can remember. Who could forget Bob Watts’s enthusiasm for God’s Country! I’m sorry if you didn’t get the chance to have such a visit, But We Are All Wishing You A Warm Welcome to all the new residents and members!

Seasonal Tips

As summer gets underway, take a few minutes to check your dock, boat lift, and shoreline for any loose boards, exposed nails, or winter damage. A quick inspection now can help prevent accidents and costly repairs later in the season. It's also a great time to clean outdoor furniture, check life jackets, and make sure fire extinguishers and smoke detectors at the cabin are up to date before guests and family gatherings begin.

Please Practice Extreme Fire Safety Measures This Spring. Check before you light! One burning ember can travel miles and start a fire. That goes for cigarette butts. Make sure they are completely out and don't throw them on the ground. We need to protect this place!

Still looking for someone to take over making the signs for the events. There are signs to be used already and can be edited. Please let anyone on the board know if you are interested.

Kudos, Cheers, And Applause

Thanks to all the board members for their volunteer time.
For thinking about what would make things better for all of us.
It truly takes a Village.
You don't get enough recognition for all you do.
Thank you so much!

Since the French Club 3 Miler is not happening this year, is there anyone that wants to form a committee to have a 3 Lakes 3 Miler? Please contact Michelle Lyons.
